

It All Started With Our **EXIT** Strategy

Dual-Lite: A Reputation For Innovation

We started in 1940 with a unique concept — an exit sign that could operate in both emergency and normal modes. More than half a century later, Dual-Lite continues to lead the industry with innovative, UL-listed life safety products of the highest quality and latest features. From our full line of commercial and industrial products to our central lighting inverters, ***your solution is Dual-Lite.***
