CVE

Edge-Lit Exit Sign

A Stylish, Versatile Edge-Lit LED Emergency Exit Sign

CVE

Edge-Lit

A STYLISH, VERSATILE EDGE-LIT ACRYLIC LED
EMERGENCY EXIT SIGN

Simplicity. Affordability. Versatility.

The latest innovation in the Dual-Lite Clearview Collection, the CVE Edge-Lit delivers the ultimate in practicality with field-installable chevrons and universal mounting. With no special tools required for installation and easy-to-use chevron mounting guides, installation is a snap.

Getting the job done right and on time is critical to your bottom line. CVE Edge-Lit eliminates the aesthetics versus affordability debate often faced with discriminating customers. CVE Edge-Lit sign goes far beyond code compliance, offering upscale elegance, unexpected value and on-the-spot versatility. This field responsive design means no more lengthy order lead time.

- Compact, decorative design
- LED technology
- Clear or mirror acrylic panel
- Emergency operation
- Field-installable directional indicators
- Universal mounting single or double panels
- Rugged, anodized aluminum trim housing
- Red or green letters/chevrons

COMPONENT DETAILS

Aesthetically Pleasing

- Compact and decorative design
- Blends into any architectural environment
- Optically clear acrylic plaque (single-face models) or mirror finish (double-face models)
- LED light engine provides consistently bright, even EXIT legend illumination

Versatile

- Recessed mounting units for ceiling installation
- Surface mounting units for wall, ceiling or end-mounting applications
- Single or double face design available
- Field installable chevron directional indicators
- Maintenance-free battery provides 90-minute emergency operation

Energy Efficient

- LED source provides long lamp life at low energy
- Meets EAct 2005 requirements, ensuring low operating cost over the life of the product

Easy Installation

- No special tools required
- Canopy included with all surface mounted units
- Recessed back box with built-in adjustable hanger bars allows for incremental offset of the sign horizontally and vertically
- Rough-in mounting box shipped with the recessed sign
- Chevron mounting template simplifies directional application

Compliant

- UL Listed to Standard 924 (Emergency Lighting)
- NFPA 101 (Life Safety Code) compliant
- NFPA 70 (National Electrical Code) compliant
- EAct 2005 compliant

EAct 2005
